**Instructions:** In [mynewshomework.com](http://mynewshomework.com), find a news article about a current event in the world in the state of your choice (or one assigned by your teacher). Read the article and find four new words. Look these words up in a dictionary and write down their definitions on the right. Under the word, indicate the part of speech (*noun, verb, adjective, adverb, pronoun, conjunction, article, or interjection*). Then, write your own sentence using these words. Attach a copy of the article to this worksheet and underline the words used for this assignment.
